

Amtico Satin Floor Dressing

Technical Data Sheet

SFD-TS-20240702-01-EN

Product Description

A solids-rich metallised emulsion dressing, with a satin finish.
Can easily be maintained with or without a machine.

Product Features

- For use on a wide range of floors including rubber, linoleum, vinyl, sealed wood and etc.
- Leaves a long-lasting, durable satin finish, applied easily through spray cleaning or mopping and buffing. Helps to protect against dirt, heel marks, water and wear. Any dirt or marks can be easily removed with the Amtico maintainer.
- Easy to use, combining the base and top coat in one solution. Just two coats are adequate for most floors, making it economical in use as well.
- 1L of product is enough to cover approximately 25 m² floor with two coats.

Direction for Use

1. On new floors or those already dressed, strip first using Amtico Floor Stripper.
 2. All floors should be clean and dry before applying the Satin Dressing. Apply an undiluted thin even coat using a clean mop or flat applicator mop (do not use the same mop used for applying Amtico Floor Stripper).
 3. When the first coat has dried (approximately 30 minutes), apply a second coat at right angles to the first.
 4. Allow to dry completely before walking on the floor. Thoroughly clean mop head after use with clean water.
- Care Advice: Sweep your floor regularly. Maintain your floor when necessary, using Amtico Maintainer. The Amtico Floor Dressing should be stripped off and a new dressing applied periodically.

Storage

- Store in cool conditions away from direct sources of heat
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.
