Modern comfort meets classic Italian elegance. 'Bella Grande' is a contemporary boutique hotel in the centre of Copenhagen, offering 109 rooms and suites for a tranquil retreat.

Amtico LVT was installed over a total of 2500 m², showcasing a beautiful Designers' Choice option from the Signature collection. Infused with timeless elements and stylish accents, each room offers a neutral colour concept with a variety of beige tones and a combination of different patterns. Complementing the historical charm of the building, which dates back to the 19th century, the selected flooring design features classic wood floor geometry for modern interiors.

The traditional tones of Brushed Oak in French Weave create a luxurious, timeless style. It is one of the ready-to-use combinations from the Designers' Choice collection, guaranteeing to create an impact in any space. This exclusive selection of individually crafted designs is developed by Amtico's in-house design team and can be ordered with a simple DC code. DC277 combines nostalgic charm with modern sophistication and is the perfect flooring design for this contemporary hotel, situated in the heart of Copenhagen.
