

amtico acoustic

Amtico Acoustic turns bold interiors into beautifully quiet environments with built in sound reduction and zero compromise on style.

**LVT with sound reduction.
Amtico Acoustic delivers both.**

1 Solution
Up to 19dB

Amtico Acoustic has the sound reducing layer built in, this means:

- No separate underlay to install
- No extra labour or downtime
- No offcut waste from underlay rolls, especially in smaller or irregularly shaped rooms
- No compromise on sound performance
