

Certificate

Indoor Air Comfort

Amtico Enhanced Slip Flooring

Certified Product

Amtico International

Kingfield Road, Coventry CV6 5AA, United Kingdom

Applicant

The above product complies with the Indoor Air Comfort specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals.

Indoor Air Comfort combines all mandatory European regulations on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances are not combined or evaluated.

The following VOC regulations are combined and the certified product shows compliance with these VOC emission related limit values:

Belgium regulation
France VOC class A
Germany (AgBB/ABG)
Italian CAM Edilizia
EU Taxonomy Regulation

Issue date: 13 November 2025

Product type: Resilient Floorings

Validity date: 13 November 2030

Certificate number: IAC-352-01-02-2025

This certificate is valid as specified if regular surveillance and testing is done.

Appendix to Certificate IAC-352-01-02-2025

Amtico International

receives the Indoor Air Comfort certificate with validity 13 November 2030

for below product group, including subgroups and individual products as listed:

Product group: Amtico Enhanced Slip Flooring

Product type: Resilient Floorings

Products included:

Amtico Signature Acoustic Safety
Amtico Signature Safety
Amtico Spacia Acoustic Safety
Amtico Spacia Safety

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort certification. A worst-case product, which is representative for the whole group, is being tested frequently.
